A PEEK INTO WASHINGTON

The key is lost. Behind us lie the locked doors of the past.

Let's unwind these mighty memories by looking through the keyhole of time.

We catch a glimpse of our first high school days . . .

the splendor of Homecoming . . .

the excitement of sports events . . .

the glamour of the Prom . . .

moments with that certain someone . . .

These, plus new experiences, thoughts, and ideals, all may be revealed to us through the keyhole of the 1962 President.

DEDICATION

To our former principal, Mr. Gordon E. Miniclier, we wish to dedicate the 1962 President. He became principal of Washington High School in 1952 and received a promotion to the position of Director of Research for the St. Paul Public School System in April of 1961. He spent nine fruitful years serving the faculty and students of Washington High School and his guidance and leadership afforded him great respect and admiration from everyone. Mr. Miniclier will always remain in our memories.

Our new principal, Mr. Theodore Salmon, has a keen understanding of kindness towards his students and teachers which makes him beloved by all. As he walks through the halls of Washington, he fills the school with new spirit.

ADMINISTRATION AND FACULTY

Assisting the principal in his duties, Mr. George Kirkeby is a very capable person who has a good understanding of both teachers and students. He is sympathetic, agreeable, and willing to help people.

SENIORS

SENIOR CLASS

Bob Hall, President; Angela Testa, Vice President; Al Krause, Treasurer; Pat Barnes, Secretary.

It was in the fall of 1959 that the Class of '62 first entered the halls of Washington High School, bringing with them "a quiet but intensive spirit."

As freshmen, we had become the second group to participate in the developmental science-mathematics group, which was continued through our high school years.

As sophomores we were given wrong directions by the upperclassmen. But, under the direction of Mrs. Mary Hafner, our newly appointed class adviser, we adjusted to high school life and got into the "swing" of things. To guide us through the year, we elected Dick Schmotter, president; Angela Testa, vice president; Mary Wood, secretary; and Bruce Van De Walker, treasurer.

One of our experiences as sophomores was sponsoring the traditional student-faculty basketball game. The faculty, by the way, was spurred on to victory by their "charming" cheerleaders.

Our first year at Washington was a year of many new experiences. One of these was our first Homecoming. We remember the excitement during the coronation assembly and the game and dance that followed.

That Christmas we witnessed our first O.S.K. We became a part of it and joined others in the heart-warming spirit of giving.

Adviser Mrs. Mary Hafner

HISTORY

That year was really the year for sports; The hockey team went all the way to the State Tournament, and fought victoriously for the state runner-up trophy. That was also the year that the baseball team won the Region IV Championship.

Well, those months sped by, and, before we knew it, we were juniors. As the Junior Class, we sponsored a successful Christmas card and candy sale to assist us in our preparation for the Junior-Senior Prom (Bali-Hai-South Seas Paradise), our farewell to the graduating seniors.

In the spring of that year, we got a crack at the world of the theater by putting on our class play, a melodrama, "Way Down East." Our officers for that busy year were Bob Hall, president; John Buehler, vice president; Mary Wood, secretary; and Maurine Johnson, treasurer.

Summer came soon that year, and when we entered Washington again we were seniors. We realized the finality of being seniors as we took part in our last Homecoming, O.S.K., and Sno-Day.

To lead us through the year, we elected Bob Hall, president; Angela Testa, vice president; Pat Barnes, secretary; and Al Krause, treasurer.

All through the year reigned the excitement of graduation, just around the corner. Pretty soon we no longer would be students of Washington, but alumni. As alumni we would look forward to the time when we can proudly return to our alma mater.

JUNIOR CLASS

During their junior year the class of 1963 elected Gary Woeltge, president; Shirley Sweazey, vice-president; Sandy Frontz, secretary; and Ceil Noe, treasurer.

Before Christmas the Junior Class sold Christmas wrappings and ribbon, the purpose of which was to earn money for the Junior-Senior Prom which was held April 27.

Probably the most important day of the junior year for each student was the day their class rings arrived.

The class would like to thank Mr. Thomas Pacholl, their adviser, for his kind patience and wonderful help.

SOPHOMORES

Washington High School's Sophomore Class started out with an eye to the future. Their key ambition was to win the Student-Faculty Basketball Game. With over 300 students, there are big chances to do this and carry out other high hopes as well. With all this, they have a wonderful opportunity to succeed. Heading the class are Thomas Siebold, president; Robert Monk, vice president; Beverly Kohls, secretary; and Shirley Sorensen, treasurer.

PRESIDENT STAFF

The 1962 annual staff was guided by co-editors Chris Wallgren and Barb Pasket, with Judy Eng and Mary Wood associate editors. Mr. Orlando Andvik and Mr. Ernest Dass were the editorial and Business advisors. Under the efficient staff, the President was extended to include such features as a padded cover, variations in layout, and an intriguing theme. Washington's *PRESIDENT* clearly symbolizes energetic spirits put forth by this year's annual staff. "P" is for

the pressure exerted as the deadlines approach, "R" is for the realistic outlook, "E" is for the education gained, "S" recollects the sacrifices, "I" signifies the impulse which lured them to their goal, "D" is for a devoted attitude, "E" is for enjoyment each staff member received, "N" recalls the number of hours spent in room 305, and "T" is for the taxi they took to St. Peter.

SURVEYOR STAFF

Producing one of Washington's finest school newspapers, was the 1961-62 Surveyor Staff. Such persons as Norman Hildrum, editor, and Tom Egger, assistant editor, along with the staff, influenced the production of the twelve exciting and interesting issues. Because of the photographic skill of Warren Hinze, this year's Surveyor had numerous candid shots, giving added enjoyment. Fascinating surveys, stimulating editorials, and the "super snooper" were only a few of the many excellent articles.

FUTURE HOMEMAKERS

Washington High School is proud to be part of such a recognized association as the Future Homemakers of America. Stress is placed on home membership and family living. Regular monthly meetings are scheduled with social events planned as desired. The club invited special speakers, saw movies, and presented skits aimed at promoting community membership and further interest in homemaking. Mrs. Hazel Norden lead discussions on sewing, child care, home decorating, and cooking. Mary Schoeller conducted the meetings with the assistance of her other officers.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, consisting of 125 members, was under the direction of President Linda Griffin; Vice-President Kathy Crampton; Secretary Nancy Helminiak; and Treasurer Judy Henkemeyer. This year's program included such seasonal sports as basketball, volleyball, swimming, and bowling. Along with these regular activities, a Sophomore Initiation was held in the fall of the year. At this time, girls wishing to join the organization were given "big sisters." The new girls were then asked to perform stunts and wear odd looking clothes during a school day. Points are given to each member for active participation in G.A.A. After 750 points are accumulated, a "W" is awarded, and they become members of the Girls' W Club. Directing the many activities of the Girls' Athletic Association is the Executive Board. It consists of Officers of the G.A.A. and members.

The 1961-62 productions and assemblies were completed successfully with the assistance of the Stage Crew under adviser Mr. Rodney Magnuson. Building and repairing sets, lighting, and stage maintenance, were among the many services rendered.

TOASTMASTERS'

CLUB

Under the direction of Mr. Daniel Hansen, the Toaster's Club has taught its members the value of skill in public speaking. The chief aims of the club are to give its members poise and the ability to clearly express themselves. A time-keeper, evaluator and grammarian assist in helping the speakers to improve themselves while giving speeches. THE CLASS OF '62 PRESENTED:

"YOU

WITH
YOU"

"Life is kind of beautiful if you
let it come to you."

The entire three acts of the comedy "You Can't Take It With You," by Moss Hart and George S. Kaufman, took place in the bright orange Vanderhof living room in "... a house where you do as you like, and no questions asked." Through this philosophy we are introduced to an amateur ballet dancer and candy maker, a playwright and artist, an inventor, a printer, a loafer, and a wise old man who gets exactly what he wants out of life.

The action revolves around the romance of Mr. Vanderhof's granddaughter, Alice Sycamore, and her rich suitor, Tony Kirby. Just when everything begins to look rosy, Tony brings his parents to dinner a day early and the fun and hilarity begins.

HOMECOMING 1961

QUEEN BARB

A week filled with excitement and anticipation came to a climax as the 1961 Homecoming assembly began and Prime Minister Denny Abbott selected Barb Westcott and Bruce Van De Walker to reign over Homecoming events with Lady-in-Waiting Angela Testa. Other queen candidates were Pat Barnes, Kathy Meyers, Sharon Sagissor, Sandee Scherberth, Sharon Smith, king candidates — Don Bloyer, John Buehler, Jeff Dzuik, Bob Hall, Leon Jacques, and Denny Senneseth. A talent-filled program followed the coronation, after which we rushed off to the game only to be defeated by Mechanic Arts, 20—0. The game was forgotten, however, in the excitement of the dance that evening.

Dimmed lights, palm trees and flowers turned the Commodore Hotel into a South Sea Paradise on May 26, 1961. Starry-eyed couples danced to the music of Dave Magnuson. Hostesses in brightly-colored mu-mus added to the atmosphere of enchantment. Committee co-chairmen were Carol Blilie and John Bathke.

Talent, glamor, fresh snow, and dreamy music all combined to make "Frosty Frolics" a great rollicking, frolicking, fun-filled day for all. The talent-filled assembly came to a climax when Tom Ahlgren and Mary Gunther, King and Queen, and Maurine Johnson, Lady-in-Waiting, were chosen to reign over the gala festivities. After

PREXIE

Football 1961 had its share of both happy and sad moments. The Prexie gridders made up for their 13—0 loss to Central with their next three performances. We saw the Prexies down the Harding Knights, 12—0, a very tough team of Greenwaves, 20—13, and a high-spirited team of Bernies, 26—0. Homecoming, Friday the 13th, was a fateful day against Mechanic Arts. With spirits down, they also lost to the Governors. However, the team, under the leadership of Mr. John McManus and Mr. Thomas Pacholl got fired up and stomped on Wilson. Then our fighting Prexies scalped the Humboldt Indians 19—14.

HUSTLERS

Before this, Humboldt was undefeated and already conference Champions. The gridgers finished fourth in the city. Bruce VanDeWalker, our triple-threat quarterback, won the conference scoring championship with 52 points for his season. Bruce also made the All-City team along with Prexie center Don Bloyer. John Behnke, end; Dick Schmotter, tackle; Jim Bloemendal, guard; and Rich Berzinski, back, received Honorable Mention. Washington continued their steady march up the ladder this season. We'll never regret that we supported football — 1961.

PREXIE PUCKMEN

Skating out this year with only four returning lettermen from the city championship team of a year ago, Coach Robert Turner had his work cut out for him. The season started out slowly, but the team had great potential. Captain and defenseman, Bill Johnson, returning Bruce Van De Walker, and the "Hair line" from the "B" squad formed the core of the squad. The high-scoring second line of Leon Jacques, Les Blase, Don Prudhomme, and Roger Hudella was not to be looked at lightly. The Prexies ended their Conference season in sixth place with a 7—9—3 record. During the first game of the Region 4 playoffs, the Prexie puckmen carried the torch as other great Washington teams have done by defeating second-place Harding 1—0. In the next series of the playoff games, the puckmen lost 5—1 against Monroe.

Sacrificing individual glory for team effort, defenseman Bill Johnson was again chosen for the All-City team. With the experience gained this year, the 1963 season shall prove to be an interesting and exciting year for the puckmen of Washington and their able coach, Mr. Robert Turner.

BASKETBALL

December 15 proved to be a losing day for the purple and gold when they lost to Wilson in their first conference match. A squad of 13 made up this year's team, including three lettermen from last year who were Tom Oakleaf, Archie McAllister, and All-City Tom Ahlgren. The boys worked in a man-to-man press defense. Prexie cagers lost their tilt against Central 48—36, in a contest that saw Central hold the Prexies to 17 points during the first half. Washington also took losses to Monroe, and Harding. During the game against our rivals, Murray, the Prexie fans cheered their team to victory with a score of 62—47. The Humboldt-Washington game was a disappointing one with the cagers losing by two points, 50—52. Ending the season with a victory, the Prexies downed the Johnson Governors 62—60 in a truly exciting game which went into a double-overtime. Coach Jack Edling came to Washington with a very impressive record from his previous teams. This record, coupled with a newly-manned squad, brought a slight rebirth in Washington basketball.

Time-Out!

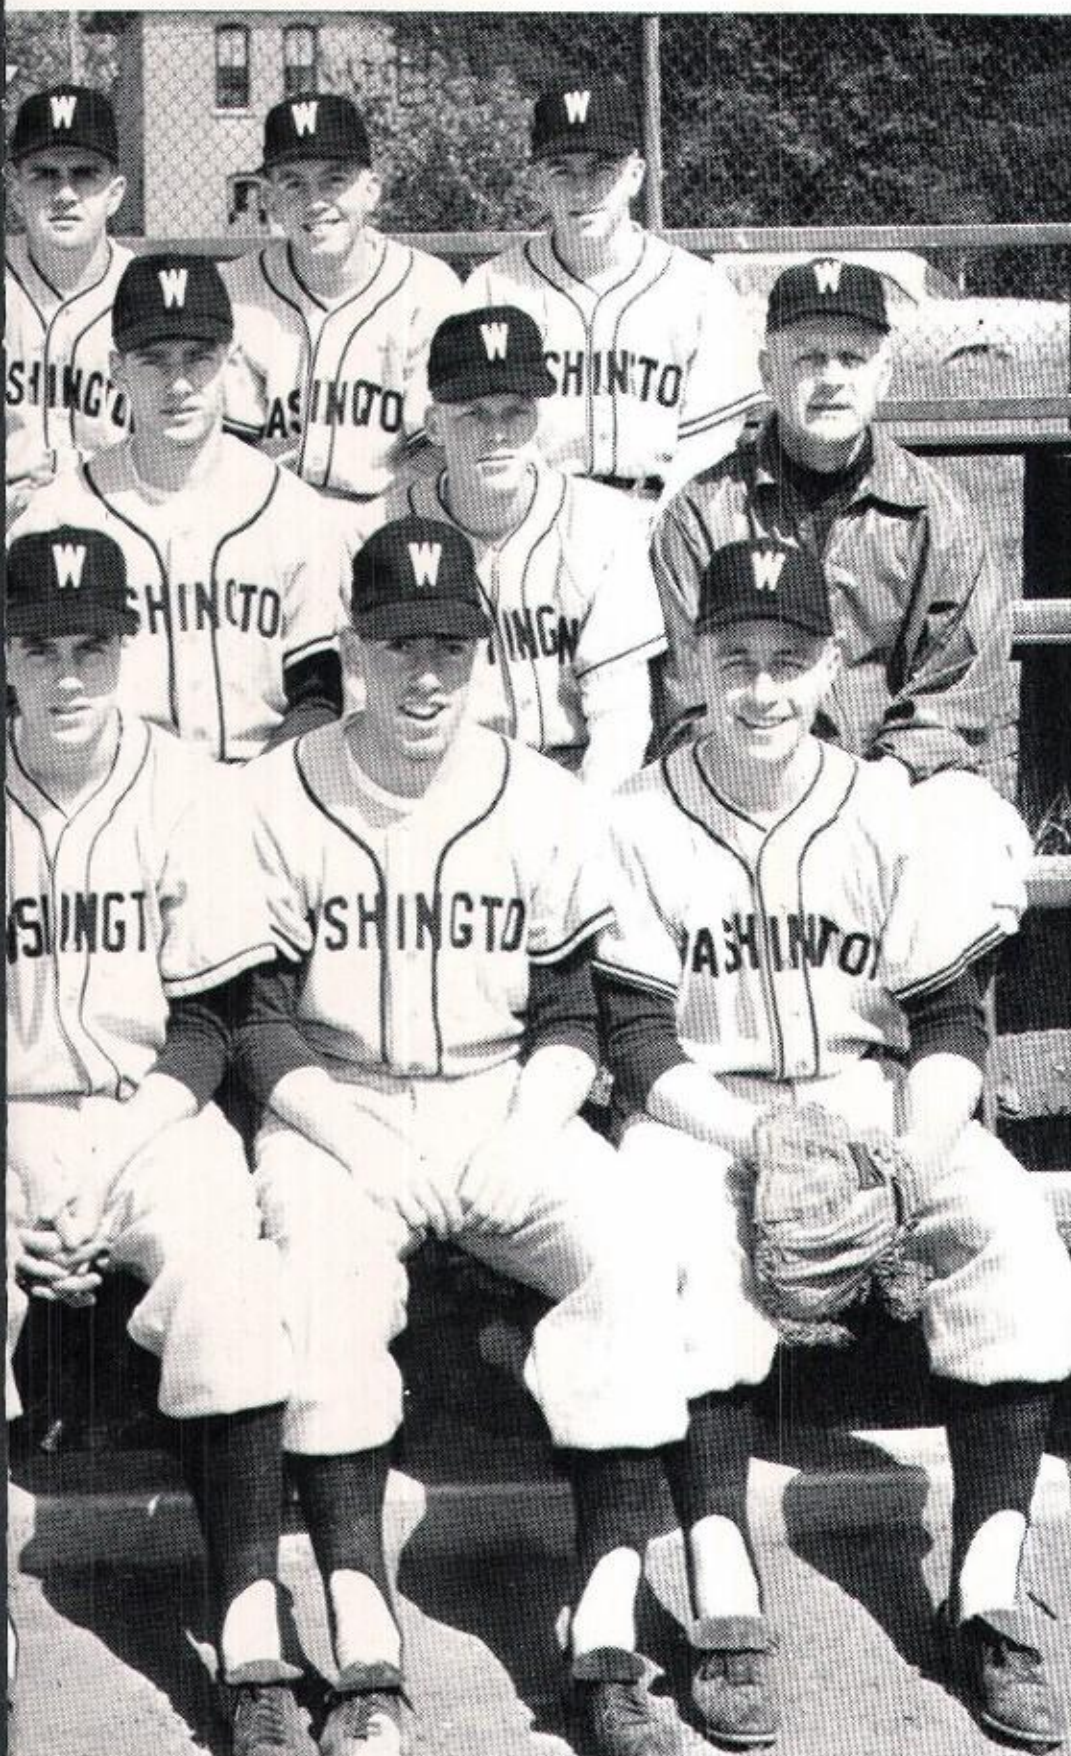

1961 PREXIE VARSITY BASEBALL TEAM

The 1961 Prexies started their season with a 4—3 victory over Harding. The Prexies got their four runs in the second inning on hits by Bob Caven, Bruce Van De Walker, and Willie Carlson. In their second game, Washington clipped Mechanic Arts for 11 hits in a 7—1 triumph. Jeff Sauer aided his own cause with two hits in three trips. The Prexies edged Wilson next with a 4—2 victory. In their fourth game, Jeff Sauer stopped Murray on a three hitter. Final score: Washington 13, Murray 4. Next Washington defeated Monroe, 10—6. Washington's sixth game was a pitching duel between Humboldt's Marty Mendez and Washington's Jeff Sauer. The Prexies had a double steal nullified by the officials. In addition to this, two Humboldt base runners held a convention at third base, but one retreated safely to second. The

game ended with Washington 2 and Humboldt 4. In their next game, Washington came back defeating Johnson, 11—4. The Prexies wound up their season by beating Central 8—3. Washington, with only one loss, had to be content with second place.

In the semi-finals of District 15 the Prexies, defending champions, lost to Harding by a score of 8—2.

Mr. Robert Turner, coach, summed up the season by saying, "It was the steady pitching of Jeff Sauer, timely hitting of Bruce Van De Walker and Roger Simon, and the sterling defensive work of short-stop Billy Nickos that provided Washington with a second place in the conference."

Buckling up a tremendous season that resulted in berths in the Region and prospects for the State Meet, was this year's wrestling team. Returning this year to the squad were nine lettermen who began the season with full support. In the opening match against the Wilson Redmen, Washington's matmen topped with a score of 56—0. It was a complete victory with every man winning his match. One of the outstanding winners was Jeff Dzuik — Team captain, with 26 seconds to a fall. Mechanic Arts then gave the Prexies a tough struggle by tying them 28—28, but the mighty matmen gained additional strength and whipped Monroe with a 35—25 win, and mangled Murray's Pilots in a 42—12 match. The benders then pushed on to an unfortunate loss to Harding 21—26. In the next battle, Wash was beaten 9—42 by Central. Once again the powerful Prexies came back and crushed the Humboldt Indians, 36—13. Ending the conference season, the matmen scored another 36—13 victory over Johnson. Placing fourth in the city conference ratings, Washington entered five men into the district matches, and terminated the scoring with Jim Bloemendahl holding the 145 weight class, Jeff Dzuik capturing the 154 weight division, and Norman Hildrum runner-up in the heavy weights. Both Jim Bloemendahl and Jeff Dzuik were launched into the regional meets. Wrestling, truly a tough sport, exhibited its glory during this 1961-62 season.

The gymnastics team, only five men strong this year, and with only two veteran men on the team, was handicapped against the larger teams in the conference. Senior Bill Forga gathered the most points; sophomore Larry Jarosch was second highest point-

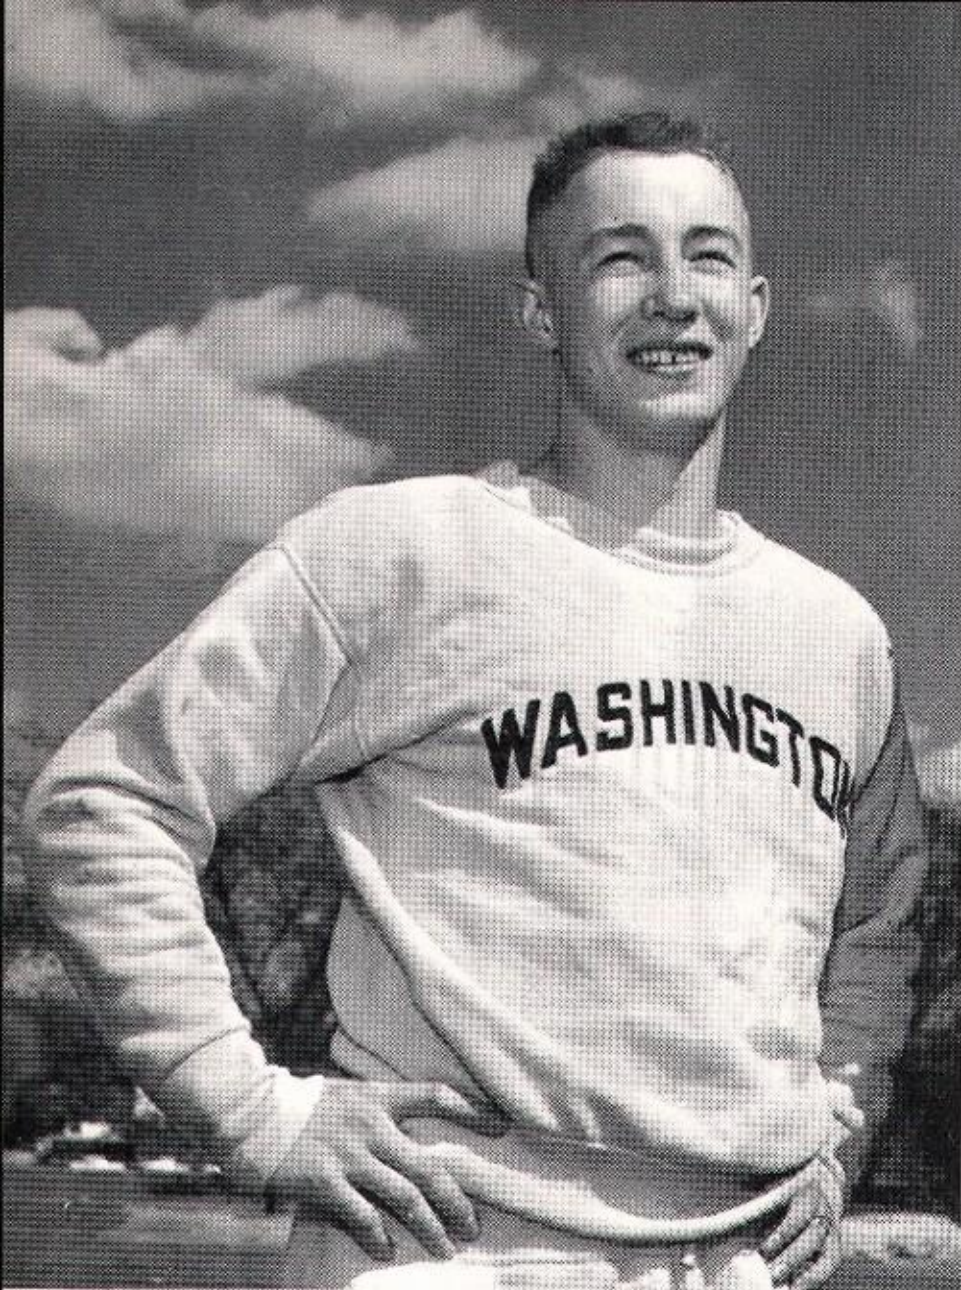

getter. Bill and Larry participated in Class B events, while Jim Barnett, Gary Beudet, and Don Kluegel participated in Class C events. Mr. Rodney Magnuson coached the team.

TRACK TEAM

The 1961 Track Team, coached by Mr. Allen Cuthbert, made many outstanding achievements and brought home a trophy to Washington. Their relay team tied for fourth place in the Relay Carnival and the mile relay team came in first place with a new record for Washington of one minute, thirty-eight seconds flat. The members of the latter relay team were Gordy Aker, Bruce Bronson, Denny Dey, and Tom McPartlin. The trophy these boys won is on display in the trophy case. Two other boys who placed in the city meet were Bob Prow, who came in fourth in the low hurdles, and Ron Schwartzbauer, who placed fourth in the pole vault. The only boy to place in the city junior varsity finals was John Veitch with a winning 5'-4".

Out of the 54 boys signed up for the 1961 team, there were seven lettermen returning for the 1962 season. These boys were Dennis Abbott, John Bathke, Jim Bloemendal, Captain, Larry Huttie, Jon Setala, Curt Stull, and Dick Weber. Jon Setala was manager of the 1961 team.

GOLF TEAM

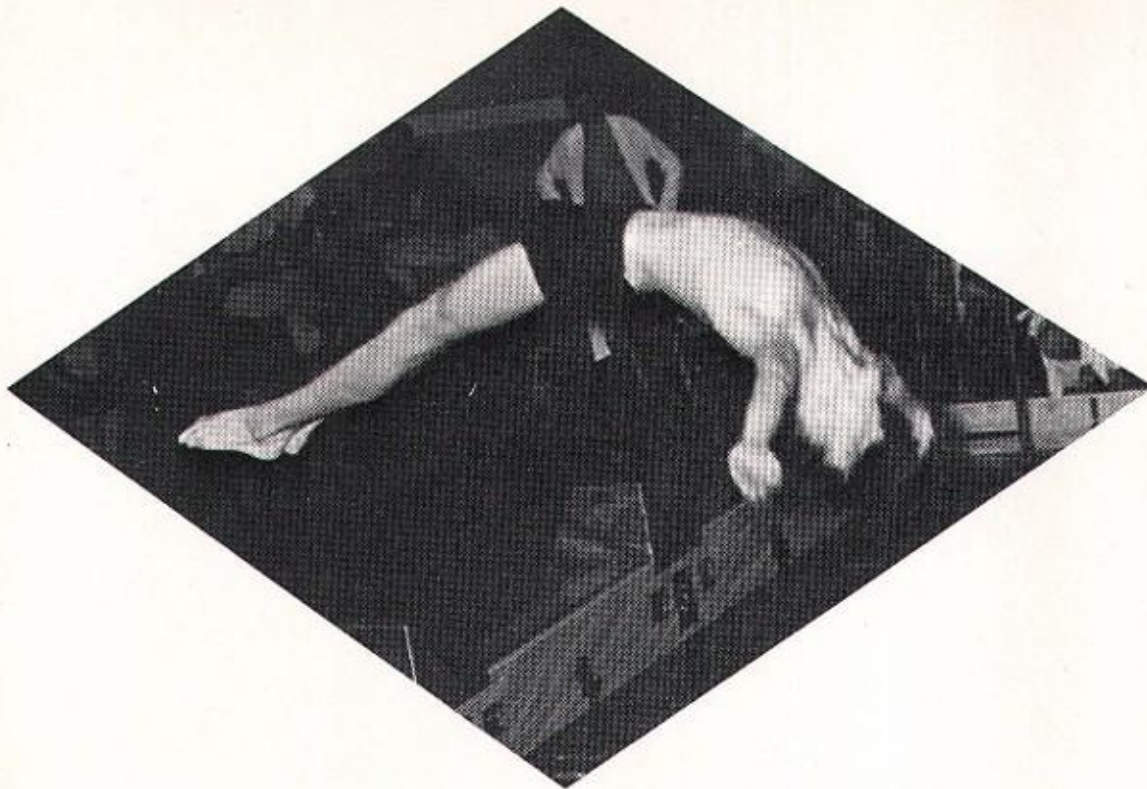

The Golf Team of 1960-61 was captained by Bill Warner. George Shortridge was top man by coming in second in the State Tournament, winning Region 4 championship, and setting a record in the city championship. Others who qualified for the city tournament were K. Chermak, D. Klett, B. Warner and J. Erding. Coached by Mr. Rod Magnuson, the team had 4 wins, 1 tie, and 3 losses. The losses were to Wilson, Central, and Johnson and the tie was with Murray. The golf team scored very high in the Humboldt game and secured a shutout in the Mechanic Arts game. In two close games with Monroe and Harding, the Prexies came through by a narrow margin.

SWIMMING TEAM

The 1961-62 Prexie swimming team placed 4th in the city standings. Eight lettermen, Don Bloyer, Tom Bowie, Tom Davis, David Durrant, John Martin, Ron Reed, and Jon Setala returned to the seventeen man team. In the beginning meets, the Prexie aquamen took victories in two of the first three meets. Murray held a winner over Washington 49—36, but

then the Prexies came back to over-come Monroe 58—25 and Harding 54—29. This year Washington experienced its first swimming coach, Mr. Earl Geisenhoff. It also holds fame for having the two top-ranking divers in the conference, Ron Reed and Bill Neujahr.

CROSS COUNTRY

Cross Country is perhaps one of the most diverse and little known of the sports at Washington. Basically cross country is a long distance run of a mile and seven-eighths without the benefit of a regular track. Four meets in addition to the big city meet, in which Wash placed fourth, were held. Scoring is accomplished by counting the first five men that have completed the course. Each man gets a number of points for the place he earns and the team with the least amount of points wins the meet. Coached by Mr. Daniel Hansen, Roger Schaffhausen was captain with Roger Hudella and Dick Weber top scorers. This sport demands determination and hard work.

TENNIS TEAM

Although the 1961 tennis team, coached by Mr. Daniel Hansen, was small, their hopes were high. The season was not too successful. The first match was against Humboldt with Wash losing 4—0. The next one against Mechanic Arts was more successful with Washington winning 5—0. In the following six matches, Washington lost to Central, 5—0; Wilson, 5—0; Murray, 3—2; Harding, 4—1; Johnson, 5—0; and Monroe, 3—2. In the city doubles, Wulf Massel and John Whitlock beat Mechanic Arts' doubles 6—1, 6—0, but lost to the team from Murray in the second round. In the city singles, Dave Diettrich won his first round against Wilson but was defeated by Dave Rosenberg of Central in the second round. In the 5th district contest, Diettrich lost to La Barre of Harding in 3 sets. Doug Hanson was defeated in the first round of the city singles by Wilson.

WASHINGTON ROUSER

And when those Washington men
Fall in line,
They're out to win a game
Another time,
For Washington the school
We love so well,
And for that high school team
We'll yell and yell and yell,
And we fight, fight, fight
For Every yard,
We'll circle end and hit that line
Real Hard
We'll knock that (opponent)
Right on the side,
Yea the side,
Rah! Rah! Rah!

ALMA MATER

Washington our Alma Mater,
Hail, all hail to thee,
Praises ring from son and daughter,
Of our love for thee.
Raise our colors, o'er all others,
Purple and old gold,
In our hearts, our Alma Mater,
Love, for thee we hold.
